COMMUNION

On Sunday, October 4th (World Communion Sunday), we will return to the Table in communion. Over the last seven months, CWC has had to assess the value of corporate worship elements alongside their potential health risk. We have also had to assess how removing certain corporate elements from worship affects those gathered over time.

After dialoguing with a team of medical personnel who attend College Wesleyan Church, we have made the decision—for the sake of our congregation—to reincorporate the practice of holy communion in our worship service. Some adjustments will be made to ensure a lower health risk while also seeking to maintain the high significance of the Table.

PRAYER REQUESTS

Unless marked for Staff & Elders only, prayer requests are shared with the College Church family. Please indicate private prayer requests by marking the Staff & Elder only on your Connect Card.

- Judy Powell had a spinal fusion surgery on Monday (Sept. 14). She is home and doing well but needs prayer for continued healing.
- Mickey Anderson is having some health issues and the doctors are looking for the best way forward. Pray for wisdom and direction for the doctors while praying for strength and peace for Mickey and her family.
- Joy Shane's son, Rory, had to go to the hospital on Monday with seizures. This is something he has experienced in the past and is serious. Pray for strength and healing for him and pray for peace for Joy since she cannot be with her son during this time.

If you would like to be part of the Prayer Team which receives prayer requests via email, send a message to Pastor Alex (alex.mandura@collegewes.com).
