

Prayer Retreats at CWC

So much of prayer is learning to pay attention: to God, to the world, to the people we're becoming, and to how the Spirit is moving in our lives.

God is always faithful to meet us where we are; and yet we believe there's power in dedicated space and time to spend focused time in solitude, silence, and shared attentiveness to God's voice.

Our prayer retreat team hosts regular retreats that vary in location, size, and focus; and a limited number of scholarships are available so cost isn't a barrier to entry! For more information about upcoming prayer retreats, see the information below!
