# Small Group Covenant

## *We commit to...*

1. Recalling, exploring, and discussing how we might fulfill the assigned scriptures in our lives.
2. Tending our time well by engaging in conversation through humble participation in discussion both by speaking and by listening.
3. Faithfully be present when the group meets and, when we can't be present, to affirm the value of the group by communicating our absence beforehand.
4. Show up having done our best to read all the agreed-upon scriptures.
5. Knowing each other more deeply, maintaining both respect and confidentiality, approaching each other with humility and a desire to understand.
