2. What stood out to you in your reading? What questions come to mind?

EXPLORE

3. How was God moving in these texts (or how was he described)? What might this tell us about the nature of God?
4. How does humanity tend to work for or against this part of God's nature?

FULFILL

5. How does this text affect how we live every day? How does it affect the way we love others?
6. How might you, personally, represent more fully the nature of God presented in these texts?
